**BRIGHTNESS LIKE  
NEVER BEFORE**

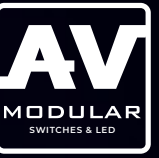

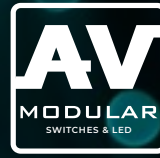

### **Lights that are almost magic**

AV Modular is building a future that is better & brighter. Our products feature qualities that will leave you spellbound.

**30+ Years of Industry Experience**

## ABOUT AV

Incorporated in 2015, AV Modular is where style meets reliability. Customers and dealers have trusted our products for years. Now, after impeccable research and development, our LED range is ready to offer the same homely feel that users love with a style that gels nicely with modern interior.

We have been led by a passion to improve the lives of those who rely on our products. With the LED range, we took that promise one step further and have been working closely with industry trends to design and manufacture products that are at the very pinnacle of performance, efficiency, and aesthetics globally.

We're additionally equipped with the distributorship of electrical products and a vast trading experience, enabling us to leverage deep customer insights and market knowledge.

We know the correct product market fit. We launched our brand AV Modular armed with unparalleled knowledge and valuable experience.

The AV Modular management is young, vibrant, dynamic, and talented. Coupled with our industry experience, we have been driven toward success continually.

Our business is based on the three core tenets of **Wide Range, Higher Quality, and Affordable Pricing** to hit all markets suitably.

We invite you to come on board as a business partner and capitalize on the many lucrative opportunities we have to offer.
