ABOUT AV MODULAR

Incorporated in 2015, AV Modular is where style meets reliability. Customers and dealers have trusted our products for years.

Now, after impeccable research and development, our LED range is ready to offer the same homely feel that users love with a style that gels nicely with modern interior.

WE ARE
PASSIONATE
AT WHAT
WE DO

Our business is based on the three core tenets of Wide Range, Higher Quality and Affordable Pricing to hit all markets suitably.

We invite you to come on board as a business partner and capitalize on the many lucrative opportunities we have to offer.

The AV Modular management is young, vibrant, dynamic and talented. Coupled with our industry experience, we have been driven toward success continually.

We have the correct product market fit. We launched our brand, AV modular, armed with unparalleled knowledge and valuable experience.

INTRODUCING

A series

A is first & foremost.

A signifies the best quality and experience,
the peak of it all.

So what better way to call our new range, than the
A-Series?

A-Series from AV Modular signifies the very best in interior and exterior lighting, the Ace of Spades, the Alpha. We have infused the product in this series with immaculate attention to detail and the production standards of the highest kind.
